

North Shore Senior Center Programs for Professionals and Community would like to invite you to:

The Sandwich Generation

Vital information about living “in the middle”

Presented by: Brandon Peck, Esq.
Peck Ritchey, LLC

Program description and learning objectives:

Tips and tricks for adults caring for their aging parents while supporting their own children. Learn what legal steps should be taken to protect aging family members’ physical and financial needs.

- Participants will get a breakdown of how Powers of Attorney apply to decision making for an individual with diminished capacity.
- Participants will receive a review of the surrogate decision-making chain for a disabled person.
- Participants will learn about the role that medical professionals have in determining capacity of a patient in the guardianship process.

Tuesday, August 28, 2018

3:30-5:00 p.m.

North Shore Senior Center

161 Northfield Road

Northfield, IL, 60093
